

Prestigious patrician house of the XIX Century, thanks to a long period of restoration, Il Patriarca is now a wonderful example of elegance and romanticism able to offer a unique setting for a unforgettable holiday.

The villa is located in Chiusi, more or less at the same distance between Rome and Florence, in that part of Tuscany which impresses for its historical character and the ancient traditions: Chiusi with its Etruscan heritage is only 5 km far; not farther than 20 min. by car are Pienza, the unique landscape of Val d'Orcia, Montepulciano and Montalcino, with their worldwide famous wines "Nobile" and "Brunello".

Besides this great position, Il Patriarca offers to all its Guests the peaceful atmosphere of a XIX century villa located in a large park of cypresses, beautiful views of the Senese countryside can be enjoyed from the amazing swimming pool, where light lunches, open bars and exclusive parties may be organised.

Only 23 rooms to make this place the perfect choice for a perfect stay, different one from each other in style and decorations: some of them are in the villa and reflect typical Tuscan character, while the rest, in the recently restored wing, are elegant and romantic in furniture, colours and categories: Classic, Superior, Deluxe, Junior Suites and the two Suites dedicated to Federico Fellini and his wife, often guests of Il Patriarca in the past.

For the dining pleasure of its Guests Il Patriarca offers two excellent choices: the elegant and refined "I Salotti" gourmet restaurant, 1 Michelin Star from 2003 – is found just off the garden and specializes in a "Noble Tuscan Cuisine" featuring a wine cellar of over 1500 local and international labels, and "La Taverna del Patriarca" located in the antique cellar of the Villa, a relaxing and familiar place to enjoy territorial Tuscan specialities of our area.

For business and corporate, Il Patriarca provides a well equipped meeting room up to 35 people and a Conference Hall for bigger events up to 250 people.

Our Staff will be also pleased to suggest and arrange wine tastings either at the hotel or in one of the many prestigious wineries of the area, or English-guided tours.
